MEMORANDUM FOR: Executive Officer, DD/A

SUBJECT: FY-79 RD&E Program

During the process of developing our FY-79 budget we asked the RD&E Offices to identify the customers for each of their proposed projects. Attached is a listing of the items where the DD/A was so identified. In some cases you are the only customer and in other cases you are one of several customers. It would be very helpful to us for you to rank the projects in priority order from highest to lowest; i.e., "1" to "n", from a Directorate point of view. I would appreciate having your rankings and comments by 4 March 1977. We will coordinate our tentative decisions on the FY-79 program with you during the month of April.
